2. **HB2027 CRIMINAL LAW: Extends validity of enhanced handgun permits.** Extends the validity of enhanced handgun carry permits issued on or after January 1, 2021 for the duration of the permit holder's life. Requires the department of safety to run a name based criminal history check every five years to determine if the permit holder continues to meet requirements and if not, the department must revoke or suspend the permit. Creates other requirements regarding the suspension of a permit.

Amendment Summary: House Judiciary Committee amendment 1 (014980) deletes and replaces all language after the enacting clause. Increases the number of name-based criminal history background checks run on handgun permit holders from every five years to every four years. Position: Amend

Priority:

Comment: This legislation opens a section of the code which addresses the newly renamed enhanced permits. It makes all such permits issued after 1/1/21 "lifetime". TFA believes that this bill could be used, if amended, to make all currently existing and future "enhanced" permits lifetime permits. It should also be amended to make clear that a TN handgun permit does not expire or terminate if the person moves out of state.
