**Amendment Summary:** House Criminal Justice Subcommittee amendment 1 (012019) renames the bill as "Jillian's Law." House Criminal Justice Committee amendment 1 (013322) enacts Jillian's Law. Requires courts wherein commitments to mental institutions are ordered to collect and include information regarding individuals found incompetent to stand trial in reports made to the Federal Bureau of Investigation (FBI)-NICS index and the Department of Safety (DOS). Creates a rebuttable presumption that a person who has been charged with a felony or Class A misdemeanor and found by a court to be incompetent to stand trial due to an intellectual disability or mental illness meets the commitment criteria for involuntary care and treatment. Establishes that such a person committed to involuntary care and treatment must remain committed until the competency of the person to stand trial is restored or, if competency is unable to be restored, until the court with criminal jurisdiction over the charges approves a mandatory outpatient treatment plan that accounts for the safety of the community. Requires, rather than permits, a court to order a person found incompetent to stand trial for a felony charge and who is found not to be committable to participate in community-based services developed by the Department of Intellectual and Developmental Disabilities (DIDD) or the Department of Mental Health and Substance Abuse Services (DMHSAS) to attain and maintain competence to stand trial and reduce the risk of becoming committable. Includes individuals found incompetent to stand trial by a court in a criminal proceeding in the definition of "adjudication as a mental defective or adjudicated as a mental defective" for the purpose of criminal offenses relating to weapons. Creates the Class A misdemeanor offense of carrying or possessing a firearm after having been adjudicated as a mental defective or judicially committed to a mental institution. Establishes that it is a Class A misdemeanor offense for a person to knowingly purchase or attempt to purchase a firearm if the person has been judicially committed to a mental institution or adjudicated as a mental defective. Establishes that a person may petition the court that entered the judicial commitment or adjudication order for relief from the firearm disabilities imposed by the adjudication or judicial commitment after three years from the later of the date of release from commitment or the date of the adjudication order.

Present law establishes this offense as a Class B misdemeanor, punishable by a maximum term of imprisonment of 30 days. Present law defines a "school" as an elementary school, middle school, or high school; college or applied technology or postsecondary vocational or technical school; or two-year or four-year college or university.
