Dear Director Archie,

I want to express my sincere gratitude to the Tennessee Firearms Association, Gun Owners of America, and Gun Owners Foundation for your recent efforts in suing the City of Memphis for violating Tennessee Code 39-17-13, Public Chapter 1062, resulting from SB2763. Your commitment to safeguarding the rights of law-abiding citizens and upholding our Second Amendment freedoms is commendable and deeply appreciated.

Your unwavering dedication to protecting the Constitution ensures that overreach does not infringe on our liberties. Your actions remind us of the importance of vigilance in defending the principles that form the foundation of our nation.

Thank you for standing up for the rights of Tennesseans and all Americans. Please know your work is noticed and inspires others to defend our freedom.

I look forward to standing alongside you as we defend our freedoms and the Tennessee State Law.

Sincerely,

Senator Janice Bowling
